

# Here's What!/So What?

## Now What?

Dialogue about each of the following columns and write a group consensus response under each column.

Here's What	So What?	Now What?
Describe one very important concept that your team learned during the data strategies videoconference series.	In what way will your group's "Here's What" effect your school improvement process?	What will you do in the very near future in order to use your 'here's what' learning?
